

CENTENNIAL BASS CLUB

Team Series Championship

The Championship will be at the end of the season. Participants compete for nice plaques and bragging rights. You may fish any of this season's tournaments as a member of CBC, Northern Colorado Jr Bass Club or a member of another club within the Colorado Bass Nation. If you're a member from another CBN club, you will be asked to pay \$20 per year to join Centennial (\$10.00 for Classic and \$10 for Annual Centennial Club fees).

Qualifying

Qualifying will be done individually. Doesn't matter if you're a boater or non-boater. To qualify for the Championship, you must have fished 3 team series tournaments of the current season.

Fishing

At the Championship, every boat must have a team. No single angler boats will be allowed. A team will be a boater and non-boater that both have qualified using the above criteria. The Championship will be two 8 hour days. The Tournament Director will determine the times. It will be a weigh-in tourney, totaling the weights for both days. Payout will be determined by how many teams fish.

Rules

All members must be familiar with all Team Series tournament rules.

Contact the Tournament Director if you have any questions.
